

ROTARY DISTRICT 3202 CONFERENCE  
on 8,9,10 February 2019  
at Emerald Trade Centre, Calicut

110 years ago Paul Harris found Rotary to foster better friendship and fellowship. It has grown stronger from generation to generation. Every year Rotarians meet together at their District Conference to demonstrate their friendship and fellowship. It is the best way to celebrate a year of successful service and renew our energy for the years to come.

"Qalb means more than heart" Rotary 3202 District Conference "Qalb" is a reunion of friends who, regardless of region, culture, language, and religion can come together and share their friendship and love as Rotarians.
